## Fred C. Beyer (Home-Loving Family Man)

Fred was the only son of Mr. & Mrs. George Beyer, both natives of Germany. Fred was born on June 27, 1904. In order to be able to attend high school, (his parents insisted that all their children must get a college education), Fred and his sister, Elsie, got jobs working for board and room in nearby Mott and there attended Mott High School. Fred graduated as Valedictorian in three years. He would walk three miles to school every day. On completing evening chores he returned to the school to take his lead in the class play. He was known as a person with high adventures in those days

Fred qualified for school teaching by attending Valley City State Teachers College. He first taught in Burt, North Dakota. In 1930 he completed his B.A. degree, majoring in English and Music. He also got a scholarship to the University at Bayreuth. He assumed his first high school position at Oakes, North Dakota, as head of the English

Department. It was there he met and married Frances Godfrey in 1934. Fred, after teaching in only high schools, took a job as an instructor at Modesto Junior College.

Fred Beyer organized and directed the Oratorical Society of Modesto and directed the Messiah in the Methodist Church for many years. Demanding of his employees, he earned their everlasting admiration and respect. Fred was direct and unafraid to express his considered opinion on issues. Always he was a simple, home-loving family man, devoted and tender to his family and wife, Frances, children Robert and Roberta-twins, Carolyn Ann and Bette Lou. On November 20, 1968, in a plane crash Mr. Fred C. Beyer lost his life. He was 63 years old when that plane crash took his life.

And on behalf of this great man they have dedicated this new and beautiful school in his name. Fred C. Beyer High School

This year's Beyer High football squad did much better than was hoped for. With no seniors at this school we didn't go into the CCC. We did have a few Juniors that came out and there was just enough to label the "Junior Varsity." The J.V.'s had no real games this year but only scrimmages where no punts or kickoffs are involved. On Saturday mornings or on Monday after school they would sometimes set up scrimmages with other High School teams.

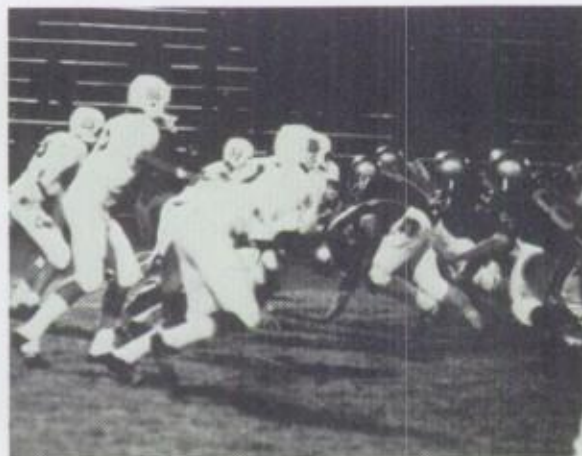

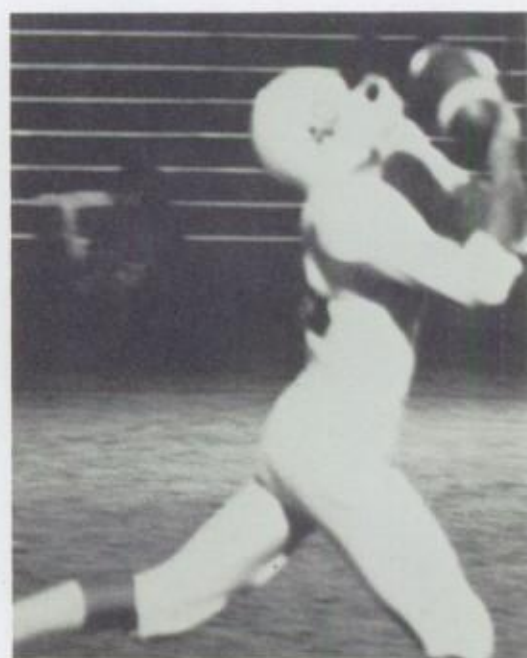

The Juniors were a big help to the Sophomore team that won-and lost only twice. The first game the Sophomores came on strong to snuff the Manteca Sophomores 29-6. The

Sophomores this year were a big boost to the spirit at Beyer and were just what was needed to provide a spark of spirit at rally's. The Sophomores played almost a full schedule this year and also weren't involved in any league play. They were more fortunate than the juniors, however, as their games were played on Friday nights. The Sophomores had good luck this year in filling a couple positions that are some times hard to fill. One was place-kicking and that was filled by Roger Berbena, and another was single safety which was taken by Ken Montero. The coaching staff this year was very exceptional with Dean Laun, Roger Fisher, Paul Cornwell.

# frosh-soph water polo team 1972

The 1972-73 Beyer High School Water Polo teams did an outstanding job in their first year of organized competition. Headed by coach Bob Casci, the varsity team captured the Central California Conference championship with a 6-0 league record.

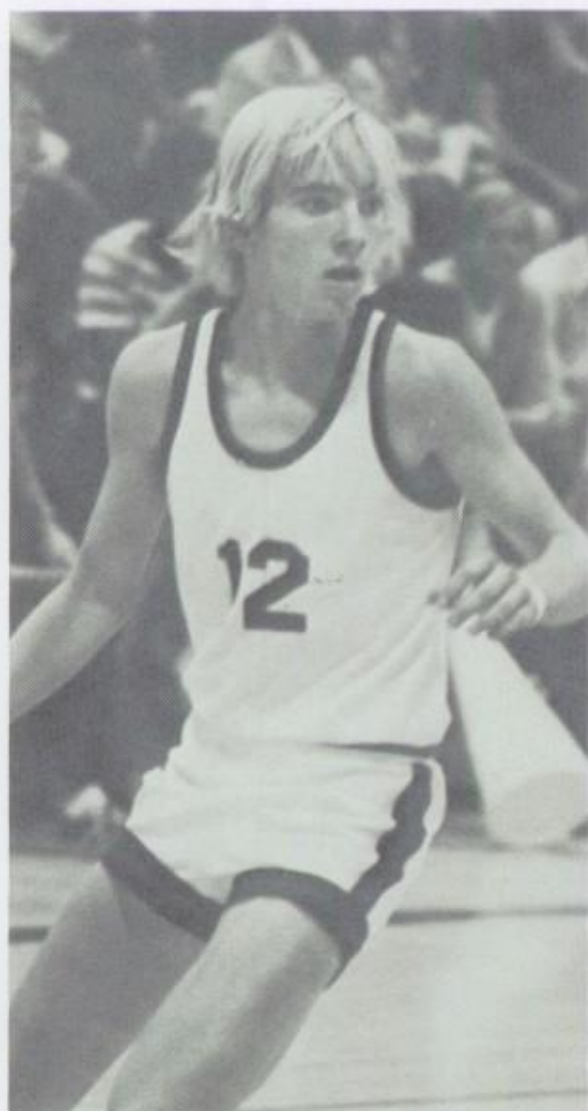

While there was no formal all-league team, three players, Doug Burke, Bill Lee and Brian Jones were named first team All Sectional. They later were invited to the Northern California Invitational where the sectional champs compete.

The amazing teamwork of this first year club helped them

attain a one win, two loss record at the event, beating Terra Linda 9-7 and losing to two more experienced and longer established teams of the bay area. Under recommendation from Coach Casci, Doug Burke was named to the All-American team.

The Frosh-Soph team showed some good form as a prospective team. Their overall record was a disappointing single win and seven losses, however, with more experience they should become big contenders in the future.

## Mat Maids:

The mat maids give the team the spirit that they need to win a game. They go to every wrestling game, home and away. The girls take tickets at the door and also sell them. As you can tell the mat maids are a very pretty attraction to the team. The girls provide the spirit which makes the audience enthusiastic about the game.

The names of the girls are from left to right. Cheryl Hagan, Nancy Moore, Susan Neugebauer, Lorinda McDaniel.

# CROSS country

For a first year school, Cross Country made a fine attempt in representing Beyer High School in the C.C. Conference. All but one of our Varsity meets were forfeited. The one we did compete in was against Atwater High School, where we won 50 to 15. Our Juniors made a fine attempt, winning two and losing five. The Sophomore team came up with four wins and three losses. Our Freshman team was the most successful of the four teams, taking 2nd in the league, 2nd in the District, and 5th in the section.

Schuster's Boosters was organized late in the school year by a small group of students. First organized as a club that would honor the lesser talented athletes, it soon became a service club, combining the resources of both boys and girls from all grade levels. The club's first year of activities was very successful, which made definite the continuation of the club in the years to come. The club has now, under strict supervision by the faculty and Peter Schuster, (for which the club was named) begun to successfully mix their work with human enjoyment.

## SCHUSTER'S BOOSTERS

AFS, American Field Service supported the Downey AFS annual dinner this year. AFS also hosted an AFS foreign exchange student from England for a week. AFS instigated money-making endeavors to

# Business Club

The Business Club is made up of a few ambitious students who got together to exchange business ideas. Their main objective is to raise money by working at basketball games in the concession stands and selling candy around the school. They use their money for trips such as going to San Francisco and to visit various businesses to see how they are run.

Back row L-R Edward Arnemann, Treasurer; Rebecca Boyd, Vice Pres.; Marianne Alessi, Janelle Alessi, Front row L-R Maxine Cliburn, Jeri Yarnal, Social Chairman; Donna Holland, Joyce Ridley. # JUNIORS

Pam,

In the short time that I have known you I've finally learned that you and Roncla aren't really sisters. You could pass as sisters though. Well school's almost out and everyone will be all upset on Thursday because they have to leave all of their friends but I don't know why because there is always next year. Good luck with the Boys (Aug 2.)

# Uncle Sam's Courier

Vol. I FRED C. BEYER HIGH SCHOOL, MODESTO, CALIF. 95350 Oct. 6, 1972 No. 1

Volume 1, Number 1 of Fred Beyer High's student newspaper hit the streets the day prior to the school's dedication in early October.

Beyer is the only high school of the four in Modesto to write, layout, paste-up and print the entire publication completely within the plant.

The journalism department with its news and editorial rooms is located amid the art, business, drafting and graphic arts departments.

Although the first year brought frustration and sometimes chaos to the staff and advisors of the departments which produced it, the U.S. Courier launched what surely will be a life of service and entertainment to the student body supporting it.
